

BANCROFT RANCH LESSON PROGRAM

Looking to introduce your child to horses and riding in a friendly, supportive environment? Looking for a lesson program without the pressure of a competitive show barn? Look no further- the Bancroft Ranch in Carmel Valley offers basic riding instruction for children along with horsemanship skills and perspectives they'll take with them everywhere they go. Instruction is tailored to each child's confidence, ability level and experience. The ranch has a variety of gentle and wise lesson horses available. Individual attention and an emphasis on safety, confidence and fun are the qualities that differentiate our program from others. Set up a weekly lesson now and come out to sunny Carmel Valley to learn more about horses!

The Bancroft Ranch is a full-service boarding facility located in Upper Carmel Valley, about 1/2 hour east of the Carmel Valley Village. In addition to lessons for children, we offer private and semi-private lessons for adults, day camps, cow camps, training, breeding and sales.

\$40 for a one hour lesson.
